

The Cool Doctor Foundation is established to honor Christopher Condon, who planned to be a doctor if he had survived childhood cancer. He was inspired by some of the wonderful and caring people who treated him, and stated that he was going to be a COOL doctor, one the patients would look forward to seeing, one who would be straight forward and personable and likeable.

\$1000.00 scholarship to be awarded to one Slidell High School Senior.

- Submit a 1 page description of your plans in the medical field.
- Be sure to show your “cool” factor!
- Provide grade point average along with ACT score
- E-mail it to [robalmcm@bellsouth.net](mailto:robalmcm@bellsouth.net)
- Deadline to submit March 17, 2017
