July 27, 2021

Dear Parents and Students,

The 2021-2022 school year will begin soon, and we are excited about having a normal school year! This year will provide opportunities for educational growth and for the restoration of traditional activities, both educational and extra-curricular. We want our students to be successful in school and in life. It is more important than ever that parents pay attention to their student's work ethic and encourage them to meet their obligations. Parents do make a difference when they take a strong interest in their child's school life. The reputation that your student builds while at Slidell High School does have an influence on his or her future. We want you and your student's experience at SHS to be positive and helpful.

When the bell rings on August 6, 2021, all students are to report to their Tiger Family. The rosters of the Tiger Families will be posted in the cafeteria, in the gym lobby, and throughout both main halls. Student packets containing important information and documents, some requiring parental signatures, will be distributed during the first days of school. Please carefully review these materials which include school and school board policies. Strongly encourage your student to comply with the rules and cooperate with teachers and other school personnel. Thank you, in advance, for your participation and support. I look forward to working with you this year.

Sincerely,

William C. Percy
